

# MESSY CHURCH @HOME

## Messy Church @Home Prayer Activities

This prayer activity can be done with all the family. Cut out the star template on the next sheet and choose a prayer to pray from below. When you have finished your prayer, put your finger in the paint and leave a finger print on the star as an Amen.

### Pray for:

- People who are worried—that they will know God's love and peace.
- People who are travelling a long way- that God will look after them and keep them safe.
- People who are looking for something- that they find it.
- People who like to learn and understand more about the world- that they will have opportunities.
- People who rule and govern countries- that they will be wise and loving and make good decisions for all the people.
- New parents- that they will be joyful in these difficult times.
- People who want to find out more about Jesus- that they will come to know his love.
- People who are lonely or missing their family—that they will find God's comfort.

Thank you Lord that we can follow you and know your love and hope in times of joy and in times of struggle. Amen.
